

The Agence de location des îles and the Appartements du Presbytère Renew Their Partnership!

It is with great pride that the Agence de location des îles and the Appartements du Presbytère renew their partnership to offer an association intended primarily for business clients travelling to the Islands throughout the year.

This partnership offers the possibility to stay in one of the charming apartments of the presbytery and to benefit from a car rental for a very favourable overall rate. This offer is valid from September to June for a 3 to 5-night stay. A custom pricing according to the length of stay is also available, as well as monthly rentals, for long-term projects.

With this association, Agence de location des îles clients can enjoy studio apartment rentals for as little as \$89/night! Rates depend on the type of apartment chosen.
